## **Gun Manual Reprints**

**These manuals are offered for informational purposes only. Many are old and outdated in light of modern information. Please use them at your own risk.**

**Manuals are listed in rough alpha order. You may call us between 9:00 and 5:00 pm Eastern Time to order (Please don't call us at night!) or just mail us a check with an extra \$3.00 for shipping any number of manuals (International shipping will be more- ask).**

**Also, each manual is graded from "a" to "d" with "a" offering the best reproductions of graphics. Please remember that many of these books were reproduced from very old and flimsy originals and in some cases, photocopies. We do our best to restore them, but some are not perfect. As with all the items we sell, any manual may be returned for a refund... no questions asked.**

### **NOTICE**

**Cornell Publications is not responsible for any injury or damage arising from the use of any of our publications. We can accept no responsibility for injuries or damage caused by the dismantling and/or reassembly of any gun or from user procured parts not performing properly or from any other use of these manuals which were originally published by an entity not related to us. Information contained in the manual may be superseded or revised by new parts or information and updated information must be obtained from the manufacturer.**

**See our website at: [www.cornellpubs.com](http://www.cornellpubs.com)**

**If you don't find what you need here, please check the website:  
[www.cornellpubs.com](http://www.cornellpubs.com) as some manuals for older guns are located there.**
